

## About Welcome Baby

Welcome Baby is a program of Durham County Cooperative Extension, supported by funds from Durham's Partnership for Children, a Smart Start initiative; Duke Endowment Fund and the Durham County Government .

We provide a range of services from car seats and free clothing; workshops for parents; lending library; volunteers who call parents of newborns and discussion groups. Services are available to any Durham County family with children ages birth-5. We know that parenting is a job with endless questions. WB staff are here to help. For more information or to be added to our mailing list, please call us at (919) 560-7150 or visit our web site at [www.welcomebaby.org](http://www.welcomebaby.org)

**As our program year comes to an end we wish to thank agencies, individuals, partners and funders for the support they provide Welcome Baby. Allowing us the privilege to work with families in the Durham community!**

Welcome Baby provides a variety of evidenced based positive parenting curriculum (multi week and single topic) on site, in both English and Spanish. Did you know we offer those same classes and workshops in the community? If you would like to host a class or workshop for your agency please contact us.
